Level 5 Diploma
in Information & Technology

The objective of the OTHM Level 5 Diploma in Information Technology is to provide learners with an excellent foundation for a career in a range of organisations. It designed to ensure that each learner is 'business ready': a confident, independent thinker with a detailed knowledge of Information Technology, and equipped with the skills to adapt rapidly to change.
The qualification is ideal for those who have started, or are planning to move into, a career in private or public sector business. Successful completion of the Level 5 Diploma in Information Technology will provide learners with the opportunity to progress to further study or employment.

WHO SHOULD ENROL IN THIS PROGRAMME:

The OTHM Level 5 Diploma in Information Technology is designed for individuals who are passionate about pursuing a career in the dynamic IT industry and wish to build a strong blend of theoretical understanding and practical expertise.
This qualification is ideal for:

- Aspiring IT Professionals
- School Leavers and Graduates
- Working Professionals
- Progression-Focused Learners
- Technology Enthusiasts

ENTRY REQUIREMENTS

For entry onto the OTHM Level 5 Diploma in Information Technology qualification, learners must possess:

  Relevant NQF/QCF/RQF Level 4 Diploma or equivalent
  Learner must be 18 years or older at the beginning of the course
English requirements: If a learner is not from a majority English-speaking country must provide evidence of English language competency.

EQUIVALENCES

OTHM qualifications at RQF Level 5 represent practical knowledge, skills, capabilities and competencies that are assessed in academic terms as being equivalent to Foundation Degrees, Higher National Diploma (HND) and Year 2 of a three-year UK Bachelor's degree.

DURATION AND DELIVERY

The qualification is designed to be delivered over one academic year for full-time study, but it is also flexible in its delivery in order to accommodate part-time and distance learning.
The qualification is delivered face-to-face, through lectures, tutorials, seminars, distance, online by LCHS.

ASSESSMENT

All units within this qualification are internally assessed by the LCHS and externally verified by OTHM.
The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes.

QUALIFICATION STRUCTURE

The OTHM Level 5 Diploma in Information Technology consists of 6 mandatory units for a combined total of 120 credits, 1200 hours Total Qualification Time (TQT) and 480 Guided Learning Hours (GLH) for the completed qualification.
